

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment that are known in the business as strong and durable equipment which suits all the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber together with the Clarke Company which is presently also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln can supply warranty service, machinery and components for these scrubbers that carry both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where results and efficiency make a difference. Recently, this floor scrubber model has been utilized by the architects in different construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on site because of the model's utmost performance level and excellent quality for polishing concrete.
