

## Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over sixty years combined experience with effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to providing top quality and new design concepts so as to meet the diverse requirements of their clients.

TREK Cleaning Machines always provides fresh design concepts as proven in their product development. They like providing items which energize both their dealers and their partners and provide production gains to their customers.

The TREK team of employees enjoys new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements together with their comprehension of cleaning applications, together with owners' strong desire to significantly lessen cost through productivity gains.

When considered necessary, the staff members within TREK and its numerous dealer members in both parts and in technical support will be obtainable. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning machines functioning and ready daily is top priority. The company's top of the line technology delivers dependable machinery that eventually lessens your cleaning expense. The price, the service and the product all work together to make them the leader in the trade.
